

Coolibah Droughtmaster Stud

Goondiwindi, QLD

- Semen tested in September 2010—fertile and sound.
- Vaccinated for Vibrio, Lepto, 5in1, 3 day sickness & tick fever (boosters due Sept 2011).
- Both bulls are registered Droughtmasters, and registrations can be transferred.
- Free delivery to Goondiwindi or Boggabilla postcodes.

Jembrae Bam Bam is a polled D5 registered four year old bull that has been used for two years as a stud sire. He is by Crusenda 1080 out of a Cedardale cow, both by Minlacowie sires (full pedigree available at www.droughtmaster.com via animal enquiry). He is coastal bred at Casino, & was bought at the Roma Tropical Breeds sale two years ago. Bam Bam has been used in the stud herd over both cows & heifers and his progeny are available to view. He is a very quiet bull.

\$3000 + GST

Clonlara 08214 (Fernleigh) is a scurred D5 registered three year old bull bought at the 2009 Clonlara sale. He is by Fernleigh 09 out of a Clonlara cow. Joined with commercial cows last season, he is very quiet.

\$2500 + GST
